NewcastleGateshead

Local Visitor
Economy
Partnership

Recognised by

VisitEngland

NewcastleGateshead is a Visit England-accredited Local Visitor Economy Partnership (LVEP).

As a core city, our focus is on attracting national and international visitors to stay longer and spend more in Newcastle and Gateshead. We drive demand for overnight stays through the delivery of integrated campaigns, content, and media activity and we work with industry to amplify our reach.

**Inspiring more visitors to
experience Newcastle
and Gateshead**

Why advertise with us?

Our digital platforms are at the heart of inspiring visitors to explore and experience the very best of Newcastle and Gateshead – before they arrive and throughout their stay.

Through our consumer website, social media channels, and email marketing, we offer comprehensive digital advertising packages designed to amplify your reach in national and international markets.

Reach almost 8 million via social media and 1 million website visitors annually.

Website advertising

newcastlegateshead.com is the go-to platform for anyone planning a trip to Newcastle, Gateshead and the wider region.

With a seamless, user-friendly experience and over 1 million visitors annually, generating over 2 million page views, it offers outstanding visibility for your business among a highly engaged national and international audience, including visitors from Australia, United States, Netherlands, Ireland and Germany.

Over 1 million website visitors annually, generating over 2 million page views.

Search rankings

Our website ranks highly on Google, we ensure it is optimised for SEO and that its engaging content reaches relevant audiences.

The website currently ranks 1st on Google for the following key search terms:

🔍 Places to eat Newcastle Quayside

🔍 Family friendly things to do

🔍 What's on Newcastle

🔍 Shopping Newcastle

🔍 Events in Newcastle

AI visibility

Our website is increasingly being recommended by AI platforms like ChatGPT, Perplexity and Claude, with AI referral traffic growing more than 10x over the last year.

Visitors arriving from AI platforms are highly engaged, spending over two minutes on-site on average and interacting with content more than the average website visitor.

Our event guides, transport information, itineraries and local recommendations are regularly surfaced by AI tools.

Helping partners and advisers

gain visibility in the next generation of travel discovery.
