## Did you know?

Our interiors are inspired by our industrial history and shipyard and brought to life in a contemporary urban aesthetic.

Newcastle is steeped in history from Admiral Lord Collingwood who kept the French and Spanish invasion at bay to the world's first mining safety lamp created by George Stephenson who also created the world's first locomotive.

John Swan demonstrated the first incandescent light bulb and Mosley Street became the first in the world to be lit by electric bulbs.

Newcastle is renowned for its bridges including the first tilting bridge – Millennium Bridge.

Situated next to Hotel Indigo is the much-loved Assembly Rooms which welcomed the likes of the Duke of Wellington to Charles Dickens.
